Boys in Mind/Girls Mind Too is a Bath based Youth-Led organisation dedicated to breaking down the stigma surrounding male mental health, and ultimately preventing suicides.

Through resources such as film, podcasts, and workshops, boys and young men are able to show their vulnerability in a safe way, role-modelling healthy dialogues around mental wellbeing and breaking down stereotypes.

We really believe that everyone is an expert in their own lives, a view that empowers and validates young people, which often results in BiM being described as a platform to talk about issues affecting them.

The money that you and Vanessa at the Crown pub in Bathford donate, will go to help fund films and podcasts that the Youth advisers make and take into schools and colleges. Thankyou!
