Bath Street Kitchen started on the 1st March 2024 to listen and feed those on the streets of Bath many of whom are homeless.

Some of us were part of Lizzie's Soup Run before setting up Bath Street Kitchen, Lizzie's run goes out every Saturday and we recognised the increasing numbers of people in need so set up a separate group.

We are out every Monday night starting at 6pm in the cattle market car park in Bath. We then walk around the City and provide a homemade hot meal, drinks, clothes, shoes, dog food and a cake.

We see a mixture of men and women and anywhere between 20 - 50 people. We listen to those who often never feel heard, this goes a long way. We are a group of 20 volunteers who remain solely on fundraising and donations from the public. We have been overwhelmed by the amount of support we have had.

On a Monday people now know to expect us so it is important we are able to continue with our street kitchen for many years ahead.
